Regina vs. 'Peg Western Final

Rugby Championship Western Canada to Be Decided At Regina

REGINA, Nov. 14.—With mild but cloudy weather prevailing here, prospects are almost ideal for today's Western Canada rugby final between the Regina seniors and the Winnipeg Tigers. There will be a light covering of snow on the ground, but not sufficient to interfere with play, but that will improve conditions if anything. The game starts at 2:30 p.m.

MACKENZIE FAVORS STAY AT EDMONTON

(Special Dispatch to The Herald) EDMONTON, Nov. 14.—Kenny MacKenzie, manager of the Eskimos, will not give his decision as to whether his hockey team will stay here this winter or move to Regina, until Saturday evening. It is known, however, that he is favorably disposed to stay in Edmonton, following the enthusiastic booster meeting held Thursday, and it is the expectation of local fans that they will see pro hockey here this winter.

M'GILL COACH DEFENDS PLAN OF SIGNALLING

"Silent" or "Conference" Signal System Criticized Alberta Used It

MONTREAL, Nov. 14.—Frank Shaughnessy has come out in defence of his conference plays, following criticism of the "huddle" system used by McGill, as expressed by Toronto rugby critics.

A Toronto paper characterized the conference system of calling signals, as used by McGill in the last two intercollegiate games, as slow and bound to prove unpopular.

Shaughnessy pointed out that a check had been made by timekeepers of the conference as used by McGill, both in practices through the week and in games and stated that, while the conference might at first appear to the spectators as slow, yet in actual time McGill was getting the ball into play within ten seconds on many occasions; 13 seconds on an average, and 14 seconds as the slowest time to get moving. He adds that this season McGill has not had a down call against them for failure to get the ball in motion within the required time limit of 30 seconds, and the ordinary method of calling signals, have been penalized for infringing on the 30-second rule.

It is further pointed out by the McGill coach that, aside from a certain amount of deception which can be provided this way, the "huddle" play has the advantage of relieving the players of the task of learning an involved system of signals.

Used by Alberta Champions. The University of Alberta squad, champions of Alberta, adopted the "silent" signal system, which is the same as the conference style used by McGill. It worked very effectively, and there was no reason for criticism of the plan at all.

NORTHWEST FOOTBALLERS. The Northwest Raineyville football team will hold a meeting in the Capitol Hill school, on Monday evening at 8 o'clock, and all players and club officials are urged to be out.

COUGARS AT MONTREAL. MONTREAL, Nov. 14.—The Victoria Cougars, holders of the Stanley Cup, from Winnipeg, arrived in the morning for their exhibition games against the Montreal Canadiens at the Forum, commencing Monday night. The visitors planned to have their first workout on local ice this afternoon.

LEPINE SIGNED UP. MONTREAL, Nov. 14.—Hector Lepine, Montreal amateur hockey player, was last night signed by Leo Dandurand of the Canadian pro hockey team, to a three year contract. The Canadiens also expect to sign other amateurs before the end of the present week.

YALE IS DEFEATED. BOSTON, Nov. 14.—Harvard yesterday defeated Yale and Princeton in the big three cross-country race over the stadium course. In finishing first for Harvard, Winard Tibbette, clipped 181-6 seconds from his own record for the course of five miles 419 yards by covering the distance in 25 minutes, 24-5 seconds.

SIKI LOSES ANOTHER BOUT. BALTIMORE, Md., Nov. 14.—Lee Anderson, New York light heavyweight, was awarded a decision over Tony Mandelst, after 12 rounds at the fourth resident army last night.

MANDELL LOSES DECISION. WORCESTER, Mass., Nov. 14.—Midget Kilburn, of Philadelphia, won a decision over Tony Mandelst, Worcester, in a ten-round bout here last night. It was Mandell's third defeat in six fights. Both weighed 125 pounds.

CITY BOWLING ALLEY. Calgary Senior Five-Pin League. C.P.R.—Tattersall, 126; H. Middleton, 139; A. Middleton, 122; Bishop, 133; Dunn, 151.—775.

PECKINPAUGH MAY MANAGE PORTLAND

NEW YORK, Nov. 14.—The latest warm air current to go whistling through the "Hot Stove League," has Roger Peckinpaugh slated to slide out of the major league to manage the Portland Club of the Pacific Coast League, to be succeeded at short by the 21-year-old Buddy Fisher, recruited from New Orleans, who replaced the injured Bluege at third base during the world series.

Crawford in Good Shape For Maroons

Former Calgary Left Forward Passes Through Here on Way to Join Vancouver

Brown as buckskin, and jovial as a school boy, Rusty Crawford, former left forward of the Calgary Tigers, but now with Vancouver, passed through here Friday afternoon on his way to the coast, where he will join Frank Patrick's Maroons for training. He will arrive there on Saturday night. Crawford was traded to Vancouver for Headley by the Tigers. Fresh from the harvest and threshing of his farm in northern Saskatchewan, Crawford is hard as nails, and in top form. He is eager to get back to the boy floor, and figures on a good year. He threshed 3,200 bushels of wheat this fall and sold every kernel before packing up for his hockey vacation.

"I always liked the coast," remarked Crawford, "and I am pleased to be going out there to join Vancouver. I don't mind admitting, however, that I always have been mighty strong for the Calgary club."

About His Age. One thing Rusty wants to clear up is the matter of his age. This has been a debatable point for some time past and there have been many unsavory arguments on the question. Rusty claims he is just 40 years of age. He says that some people would like to make him 50 years or the other way around. Rusty is on the longest hockey records of any man in the game today.

Patrick need have no worry about Crawford's condition, when he is down to 143 pounds now, six pounds lighter than he was when he reported last fall to the Tigers. He is in good shape though, on account of his strenuous season on the farm. Rusty is usually at his best in the early parts of the winter race.

HOCKEY MEETING FOR ORGANIZATION HELD AT STETTLER

(Special Dispatch to The Herald) STETTLER, Nov. 14.—A large crowd met in the town hall tonight for the purpose of organizing the hockey club for this winter. As there is an abundance of players here this year, it was unanimously decided to organize and join the Amateur Hockey Association. The following officers were elected: Hon. president, A. G. Fox; vice-president, Weldon Oliver; president, Dr. Kennedy; secretary-treasurer, Tommy Griffith; manager, P. C. Burnett; trainer, Joe McIntosh. Executive committee: P. C. Burnett, Ches. Bauford and Clifford Wilkinson.

The meeting was very enthusiastic, and it is certain Stettler will see some good hockey this winter. As too large a district would have to be covered to do so, it was decided that Stettler would not form a league.

FRENCH JUMPERS INITIAL WINNERS

TORONTO, Nov. 14.—Particular interest is centered this year in the jumping on the tank track of the Coliseum in connection with the Royal winter fair, which opened here last night, owing to the presence in the field of the champion jumper of the Belgians, United States and French armies, in addition to the Canadian representatives. The competition, which was exceedingly keen last evening, was won by the French entrants.

The event was for the best performance over course A, a course specially planned for this year's show, since it is a figure eight, including the stone wall, the oxer, the triple bar, two gates and a triple jump of three four-foot gates spaced 24 feet apart.

Last night the first honors went to the French, as Lieut. X. Huard, of the Seventh Hussars of Vannes, took the red ribbon while riding Pantin over the hurdles. Second place was won by Jack Binks, a horse from the Fort Riley cavalry of Kansas, ridden by Capt. J. B. Pierce, third place was taken by Sergt.-Maj. Lynn, riding Great Heart, from the local barracks.

MCGILL AND TORONTO TO PIT THEIR WARES AGAINST HARVARD SIX

(By Canadian Press) CAMBRIDGE, Mass., Nov. 14.—McGill University and Toronto Varsity are to pit their hockey wares against the Harvard six this winter. The 1925-26 schedule of the Canadian University shows a fixture with both the Montreal and Toronto college teams. McGill meeting the crimson sextette at the New Madison Square Garden of New York on January 2 and Varsity hooking up with the United States college at Boston, one week later.

SCHOOL RUGBY TIE. South Calgary and Central collegiate played to a 1-1 tie in an exhibition game. Calgary was routed by Rickard for South Calgary's point. On Saturday night, Varsity was routed in the third period to give the Centrals their mark.

CAPS TO PRACTICE. The Capital Juniors will hold a hockey workout from 11 to 12 o'clock Sunday morning at the Crystal rink. All players are urged to be out.

Ottawa Should Beat Hamilton

Win for Senators Will Give Them Inter-provincial Title in East

OTTAWA, Ont., Nov. 14.—The Big Four championship struggle is on at Lansdowne park this afternoon. Dilled to the top of their form after a week of strenuous training, Ottawa Senators, present leaders of the senior series, and Hamilton Tigers, their closest contenders for the honor and defending champions of the inter-provincial union, take the field today in the final scheduled fixture of the big four series.

Other gridiron battles in the east today include the McGill-Toronto university game at Toronto, and the two games in the Ontario union—Bainy Beach-Varsity, second, and Camp Borden-Hamilton. Rowing Club. Bainy Beach will clinch the championship by defeating Varsity, but if they lose, and Camp Borden defeats the seniors, the O.R.F.U. race will be tied up.

VAL BISSONNETTE SNOOKER WINNER

Defeats W. Fraser in Finals of Tournament at the Waverley Rooms

Before a large crowd of snooker fans, Val Bissonnette, the well-known jazz saxophone player, defeated W. Fraser, in the final of the Waverley snooker tournament held Friday night. Bissonnette was in rare form, and scored a total of 268 against Fraser's 144, his average for the whole series of five games, each being 236.

Fraser played a steady game, but was not up to his usual form, as shown when he eliminated his other opponents.

TOMMY BARBER, STAR FOOTBALLER, IS DEAD

Soccer Hero of a Decade Ago Passes On—Outstanding With Bolton

Old land soccer enthusiasts, familiar with the doling of clubs and players a little more than a decade ago, will regret to hear that Tommy Barber, recognized for his length and breadth of England as a football genius, has passed on. Consumption finally beat the West Stanley nursery and joined Bolton Wanderers when quite young. His artistry soon became apparent and while he several times figured in the forward line, it was just a little different. Writing about Barber, one old country scribbler said that like a "genie," Tommy had a kink in his brain. On the field he was hard to handle. On the forward line, it was just a little different. He played many brilliant games for Bolton and endeared himself to the fans.

Had his departure to Aston Villa been regretted, but it was generally acknowledged that the change would be better both for him and the club. He served Villa faithfully for some years, and achieved further fame when he scored that goal that gave Aston Villa victory over Sunderland at Crystal Palace in the cup final of 1913. He was selected for the English League against the kick of the Scottish League in 1913.

MARULLO OUTPOINTED

NEW ORLEANS, Nov. 14.—Harry Greb, middleweight champion of the world, decisively outpointed Tony "Young" Marullo, of New Orleans, here last night in their 15-round bout. The decision was applauded.

Lalonde Rallying Saskatoon Forces for Workout Monday

Crescents on Home Ice Ready For Training Under Fiery Frenchman

(Special Dispatch to The Herald) SASKATOON, Nov. 14.—Edward C. "Neway" Lalonde, veteran daddy of professional hockey, will gather his Saskatoon Shell family around the curl stone at the local arena Monday afternoon, to tell the group how the boys used to chase the famous rubber disc in the brave days of old and finish up by bellowing "Let's do a little practicing."

Good Sheet of Ice. Several members of the Saskatoon Hockey Club have been in the city for a week or more, and the cold weather has enabled the local ice-makers to provide the early birds with a good sheet of ice at the arena to blunder up on.

Although the players were not ordered to report until November 16, most of them are already in the city. The early ones include "Bill" and "Bunny" Cook, Corbett, Denny, Leo Reise, Fred Gordon and Harry Cameron. The four-guard, consisting of "Neway" Lalonde, George Hainsworth, Laurie Scott and Bobby Benson, are expected Saturday. Leo Bourque, former Guelph amateur, who made his pro debut last winter, will arrive Monday to complete the squad. Phil Stevens, veteran defense player and former Grand Mar, Quebec star has not returned to the continent and it looks as if the likeable Phil has played his last game of pro hockey.

Ten On Roster. Not counting Stevens, the Saskatoon owners will have ten men on the roster this winter, with Bobby Benson, former Calgary and Boston defense player as the only newcomer. The addition of Benson to the club gives Lalonde three good defense men in front of the puck, stopping George Hainsworth, Leo Reise and Harry Cameron being the other stalwarts.

On the firing line Saskatoon is well fortified in goal-getting hours. To start off with, there are the famous Cook boys, Bill and Bunny, who started the hockey firmament last winter and proved two of the popular players on the circuit. Then take Freddie Gordon, former Brandon amateur, who came along like a bolt of lightning in the latter stages of the Western Canada Hockey League campaign last winter, after an unimpressive debut. Fred starts up where he left off in 1924, and will win the centre position for the Shell this season. Add to this group Corbett, Denny, former N.H.L. flash, Laurie Scott and Leo Bourque and you have as nifty an aggregation as any of the western entries can boast of.

SHOULD GIVE NEW CLUB BOSS CHANCE TO REBUILD TEAM

Joe McCarthy, Always a Minor League Leader, to Handle Chicago Club

Joe McCarthy, 31 years old, whose baseball career as player and manager has been confined to the minor leagues, is the new leader of the Chicago Cubs. McCarthy's engagement by Owner William Wrigley, Jr., was overshadowed by the recent bid series and, therefore, did not receive the attention it deserved. But baseball men now are hoping that McCarthy will be permitted to rebuild the Cubs without interference from the business office.

Born in Philadelphia of Irish parents, McCarthy is known as a fighter manager. During his playing days he was a fine second baseman, particularly as a member of the Buffalo International. Ten years ago he assumed command of the Louisville in the first division.

Telling Form. Though lacking major experience, McCarthy began to appeal to Owner Wrigley last summer when the Louisville club was in a tremendous lead and were considered sure winners of the association championship.

The proprietor of the Cubs, who has invested something like \$4,000,000 in baseball during the past six years without producing a pennant winner for Chicago, evidently preferred to experiment with a great hustler in McCarthy rather than waste more time on veteran players.

After signing McCarthy, Owner Wrigley declared he was prepared to spend unlimited money for new players. The Cubs' new leader must be equipped with several first-class players who will strengthen the team in certain positions, before he can produce a winning team.

WILL FACE OFF PUCK. OTTAWA, Nov. 14.—His Excellency, the governor-general, will face off the puck at the hockey match between Victoria and Ottawa on November 18, when the proceeds above the actual expenses will be donated to the Ottawa Humane Society. Her Excellency will accompany Lord Byng onto the ice.

PLANS TO STAGE TITLE BOUTS IN EVERY CLASS

NEW YORK, Nov. 14.—Tex Rickard plans to stage championship fights this winter in every class even Jack Dempsey's division if he can come to terms with title-holders without dealing them a percentage basis.

But the promoter, outlining his programme today, declared he would deal with champions only on a percentage basis. "I am through handing out exorbitant guarantees to champions," he said. "If they are assured big sums for their appearance, instead of working on a percentage scale, they lose any incentive to add in this promotion of a show. No fighter is worth more than he can draw at the gate."

BANFF TO PLAY HOCKEY SERIES WITH CANMORE

(Special to The Herald) BANFF, Nov. 14.—The Banff Hockey club, under the auspices of the Banff Athletic Association, held a meeting in the school house. After the election of officers, a discussion of this year's programme resulted in a resolution being passed to the effect that the executive do all in its power to arrange a series of games with Canmore for the coming winter. The meeting favored the entry of a Banff team in the intermediate league of Alberta, organizing a schedule with Canmore to make both teams eligible in the playoffs.

To sponsor the development of future hockey players, the hockey enthusiasts decided to hold an organization meeting for the midgets and to arrange for the training of the young hockey hopefuls this winter. L. S. Crooks was elected president for the coming year. W. Mitchell, vice-president; Chas. Watta, secretary, and assistant superintendent; L. A. Woods, manager.

The school rink will open in shape for preliminary practices.

HARVEY PENFOLD DIES, VANCOUVER

VANCOUVER, Nov. 14.—Harvey Penfold, a former well known baseball player of Fort William, died suddenly here yesterday. Taken ill while at work, he was rushed to the hospital but died before reaching that institution.

Deceased came to Vancouver three years ago, being employed by the Manitoba Grain Company. He played baseball here last year, being a member of the Young Liberals when they won the city championship. The year he played with the Collingwood team. Penfold, who was born in Fort Arthur, leaves a wife and three children.

Penfold pitched at one time for Fort William in the Northern League, a professional aggregation, and was also at one time on the roster of the Peterboro, Ont., Canadian League.

EXCELLENT ICE NOW AT THE CRYSTAL RINK

Skating is very popular at the Crystal rink these nights. The ice at Andy Baxter's enclosure at Seventh avenue and Eighth street west, is in wonderful shape, and the early season skating turnout exceeds all previous records. This evening, and every other Saturday evening throughout the winter, the band will not start until 8:30 o'clock, and the programme of music will continue to 10:30 o'clock.
