VARSITY'S IMPRESSIVE VICTORY.

The University of Toronto beat McGill University by 18 to 1 at Varsity Field Saturday afternoon. This decided victory over the hosts of "old McGill" makes the Blue and White look like a champion team again. After the defeat of Ottawa College by McGill a week ago it was agreed by the experts that the score was fairly representative of the merits of the teams. That being the case the Varsity triumph Saturday shows the Queen's Parkers prominently to the front as championship possibilities, especially after their defeat of Queen's University in Kingston.

There was a very decided margin in favor of Varsity throughout the game at the Oval Saturday. Both in the backfield and on the wing lines Toronto was superior to McGill. The local half line handled the ball cleanly, returned punts with good judgment and ran back the ball for frequent and substantial gains. The McGill backs fumbled often and were outplayed. On the line there was a marked Toronto superiority, the fast and heavy wearers of the Blue and White breaking through and nailing the Montreal students in their tracks time and time again. The reason for the local victory is due about equally to the superior work of the Varsity backfield and the inability of the McGill wings to stop their Toronto checks.

A strong crossfield wind prevailed throughout the game. Rain fell copiously toward the end of the contest and made the field and ball slippery, but on the whole the day provided good football weather. Dr. Hendry refereed capably and George Ballard was a satisfactory umpire. There were no serious injuries, although Capt. Gilmour of McGill received a hard bump on the head which dazed him for a time. His friends endeavored to persuade him to retire in favor of a "sub," but he refused to leave the game. The Varsity wings afforded their backfield splendid protection. To Gail was entrusted most of the punting, while Lawson and Capt. Newton did most of the bucking and end running. Lawson's line plunging was great, and he evaded tackles wonderfully. The tackling of Varsity was also superior to that of McGill, the locals diving fearlessly for the knees and ankles of their opponent carrying the ball. Only once was the Varsity line in danger of being crossed, but the big line made a determined stand and withstood two bucks and ran back the ball from the danger zone when McGill was forced to kick.

At the beginning of the game Varsity wings began their march for the McGill goal and soon had the ball on the McGill twenty from where Gail kicked to the dead line. Brydone fumbled on his own fifteen after the kickoff, and Newton raced across with the ball for a try, which Ritchie converted, making the score 7 to 0. At the beginning of the second quarter McGill adopted punting tactics, but Varsity's backfield caught well and ran the ball back. In a punting duel in midfield Lawson was tackled by Gilmour, who brought down his man and stole the ball as well without letting it touch the ground. Shortly afterward Lawson ran twenty yards through the McGill line and Gail kicked to the dead line again. Score: 8 to 0.

South replaced Dowling when the latter was hurt. Half time found the ball in McGill territory, with the latter in possession. Gail kicked high into the strong wind from midfield at the beginning of the second half and the ball was carried over the dead line again. Score: 9 to 0. The high wind helped Varsity and McEvenue was compelled to rouge on Gail's punt from McGill's twenty. Score: 10 to 0. Foulds returned Gilmour's kickoff and McEvenue muffed again. Bell was right on the ball, and when it rolled over the line he made a try. Ritchie failed to convert, not allowing enough for the strength of the wind. A series of successful bucks and short end runs worked the ball to Varsity's twenty-five from where McEvenue kicked into touch-in-goal for McGill's only score. Foulds tried a goal from the field but failed. McEvenue was forced to rouge on the attempt, however, and Brydone did likewise a minute later. Score: 17 to 1. Varsity added a safety touch to their score before the end of the third quarter. A brisk shower fell in the final period, but there was no scoring. The wind dropped, but Varsity continued to outplay the Easterners.

McGill—Full, Hastings; halves, Lea, McEvenue, Brydone; quarter, Forbes; scrum, Timmons, Ayer, Turnbull; inside wings, Mathewson, Bignall; middle wings, Gilmour, Dowling; outside wings, Black, Goodvee.

TACKLED A GOAL POST.

Ottawa, Oct. 17.—(Special).—Ottawa College defeated the Queen's University team by a score of 11 to 6 in the first intercollegiate match of the season at Varsity oval on Saturday. The weather was miserable for football, and the crowd numbered only about two thousand.

It was "slap-dash" football from start to finish, but Ottawa deserved to win, as they held the Queen's line time and again, and broke through on the visitors at will. But for the good punting of the Queen's backs and the condition of the ground, which made effective tackling impossible, the Ottawa Collegians would probably have vanquished their opponents by a larger score. Pete Conway, the college player who was injured in the McGill game at Montreal last week, went into the match Saturday against "doctors' orders" and came out of it in an ambulance. Conway, who took desperate chances in tackling, flung himself at Leckie on the Queen's line. He missed the runner and crashed into the goal post. Conway was for the second time within a week knocked cold. He was carried off the field, attended by Dr. Chabot, and then taken to the Water Street Hospital in an ambulance. Conway's head was badly cut, and it was feared he would develop concussion of the brain again. To-day he is doing nicely, but he will be laid up for a week, and will probably be out of the game for the season.

Ken Williams, who strained his back on practice Thursday, did not go into the game until the last quarter, while "Champ" O'Neil, the Ottawa College captain, was kept out of the game altogether on account of illness. It was poor football all through, the only redeeming features being Carruthers' drop goal from the field and Mike Smith's sixty-yard run for a touch-down.

Only one point was scored in the first quarter, Queen's pushing Harvey Chartrand over the line for a touch-down. Moxley kicked over the dead-line in the second period, and then Conway roused, making it 4-4 for Queen's at half time.

Mike Smith scored his try for Ottawa shortly after the commencement of the third quarter, and Chartrand converted. Gilmour kicked for two rouses, and it was 8-1 for College at the close of the third.

In the last quarter Chartrand kicked his goal from field, bringing it up to 11-5. Queen's got another rouse after Ken Williams got into the game, leaving it 11-6.

There was quite a lot of scrapping in the game, but Harvey Fulford and Billy Foran, the latter making his first appearance as a referee, handled the match well. The teams were:—Ottawa College—P. Conway, full back; W. Chartrand and Conway, halves; Muzzanti, quarter; Fleming,

HAMILTON 26, ARGONAUTS 4.

Hamilton, Oct. 17.—(Special).—As was fully expected, the Hamilton Tigers won an easy victory over the Argonauts of Toronto here Saturday afternoon. The score was 26 to 4 in favor of the locals, and the winners ran away from the Oarsmen in the last three periods of the game, although the visitors put up a fairly stiff argument for the first quarter.

There were many changes in both teams from the line-ups presented a week ago. The Argos changed Murphy from left outside to fullback and Levack was moved up from the latter position to left half to take the place of Norcross, who played so well at right outside against Montreal. He played that position again on Saturday and was one of the Argos most useful men. Dee Taylor replaced Corkery at right half, and instead of Heather in the "scrim" P. Kent was used.

Fickley, who was on the Tiger intermediates last season, took the place of Loftus at left. "Dutch" Burton's injuries kept him out of the game and Frank Harvey took his place on the halfback line. In Harvey the Tigers have uncovered a good man. He caught, punted and ran the ball out like a veteran, and it was very little that Ben Simpson had on him in any department.

Capt. Simpson opened the game with a long kick to the dead line, which was followed by a dribble, which got another point. The heavy Argo wings held like solid masonry and their backfield showed a marked improvement over their game against Montreal. They caught well and lost little or no ground as the result of fumbles. In the second quarter Moore ran for 25 yards and Smith went over on a cross-cross play for a try, which was not converted. Smith, Moore and "Pud" Kent made runs of from 20 to 35 yards, and the Tigers resorted to kicking, but the Argos wings surprised the spectators by plunging through and blocking the passes several times. Awrey was shoved over the Argo line with the ball, but Harvey again failed to convert. Just before the half-time whistles M. Kent kicked to Simpson in touch-in-goal and the score was 12 to 1.

A rouse on a punt by Simpson, a try by Turner, who carried a grabbed fumble and wriggled over the line made the score 19 to 1. Smith scored another try for the Tigers toward the end of the game and twice the Argos roused. Two rouses and a deal line raised the Argo score to four points and made the tally for the afternoon 26 to 4.

Coryell and Sinclair were severely hurt, the former coming down hard while tackling Smith. He was carried off the field. Sinclair also had to have assistance to get to the side lines. Their places were taken by Baycroft and Ferguson, respectively. The teams:—

Argonauts—Fullback, Murphy; halves, Levack, M. Kent, D. Taylor; quarter, Coryell; scrimmage, Brown, Russell, Pud Kent; wings, Grant, Sinclair, R. Kent, Taylor, Heather, Norcross.

Tigers—Fullback, Geo. Smith; halves, Simpson, Harvey, Moore; quarter, Awrey; scrimmage, Craik, Peiffer, Bellhune; wings, Barron, Ishester, Fickley, Bramer, Wigla, Turner.

OTTAWA WON A BATTLE.

Montreal, Oct. 17.—(Special).—The veterans of the Ottawa team in the Interprovincial Rugby Union game Saturday on the M.A.A.A. field succeeded in defeating Montreal, but the winged wheel for a young team made a creditable showing. The score was 5 to 3 against them. Neither team succeeded in crossing the other's goal line for a try, the eight points of the game being scored singly. Ottawa scored one on a rouse in the first quarter, and Montreal on the same play in the second, leaving the teams even, 1 to 1, at half-time.

It was in the third quarter that Ottawa won the game. The Montreal backs had a bad spell for five minutes about half way through the quarter, and were unable to clear the Ottawa punts, with the result that Ottawa scored four times on rouses. That ended the scoring for the quarter, and Ottawa went into the last fifteen minutes of play with a lead of 5 to 2.

A touch-down would have been enough to reverse the lead, and there were a couple of occasions when Montreal appeared to have a good chance to get it. The best they could do, however, was to force Ottawa to rouse twice after having much the better of the play toward the finish. The final score was, therefore, 5 to 3 in favor of the team from the capital.

All the points of the game were scored at the eastern end of the field, which afforded the team playing toward it a slight advantage of wind. The wind was very light, and the defending backs had no difficulty in kicking from their line. The rain of the morning had left the field a little soft, though not to an extent to impede the teams seriously. Conditions in this respect, however, gave Ottawa a slight advantage. The lighter Montreal team found their speed of less advantage to them than on a hard, dry surface, and Ottawa could use its weight to good effect in close line plays. It was superiorly on the line, partly due to the greater weight, that swung the fortunes of a close game to the Ottawa side. The football was not as good as in the

teresting for the spectators as it should have been. There was little open work of a spectacular nature, such as has been developed by the Interprovincial rules. It was a kick from one back division, sometimes a return punt, but more often a scrimmage near the spot where the ball was caught pretty well all the way through. The tackling was good, and this partly accounted for the fact that the backs were unable to get away on runs. Few trick plays were resorted to, and it was straight football, with each side looking for muffs by the opposing back division to gain ground. Of muffs there were plenty on both sides, keeping the play constantly changing from one side to the other of centre. The one well-maintained period of attack in the game was in the third quarter, when Ottawa scored the four rouses that gave them the game. During that period Ottawa showed superiority by smothering the Montreal defence on a punting game.

Ottawa (5)—Johnson, full back; Gerard, Williams, McCann, halves; Kilt, centre; Ferguson, Kennedy, McCuaik, scrimmage; Phillips, Disney, Christie, Church, Vaughan, Convey, wings.

Montreal (3)—Stinson, full-back; Ham, Iton, Duckett, Craig, halves; W. Ballie, quarter; McNamee, McAller, Collis, scrimmage; Egan, Glass, J. Ballie, Relfenstein, Cameron, Armstrong, wings.

Referee—T. Hay. Umpire—McArthur.

PARKDALE 31; PETERBORO' 1.

Peterboro', Oct. 16.—(Special).—Parkdale Canoe Club Rugby team of Toronto handed the local Rugby team a decisive trimming in the senior O.R.F.U. game here to-day, piling up a score of 31 points to a solitary point secured by Peterboro'. The Peterboro' team played a fast, aggressive game and on occasions had the better of the play. The Parkdale wings were very fast and their backs went through the whole game with but two fumbles. Beddoe, at centre, out-kicked the Peterboro' halves by ten to fifteen yards on every exchange and twice prevented sure scores by beautiful running and tackling.

Peterboro' started out by forcing Cromar to rouge two minutes after play started. Play was in midfield for a while and then Quinlan went around the end for a long gain. He dodged Beddoe twenty yards out, but the Parkdale half turned and outprinted him, bringing him down three yards from the line. Parkdale steadied up and Peterboro' failed to score. Then Brockbank secured on Peterboro's fumble of one of Beddoe's long punts and went over for a touch, which Disette converted. In the next quarter Parkdale carried the ball to Peterboro' end and bucked over for another touch, Leonard carrying the ball. The half time score was: Parkdale 11, Peterboro' 1.

Shortly after play was resumed Parkdale forced Craig to rouge and a minute later Quinlan was downed for a safety touch. On a trick play Harper plunged through the Peterboro' line and ran twenty yards for a touch, which was not converted. Another kick to the dead line by Beddoe brought Parkdale's score to 20. In the last quarter Quinlan was forced to rouge. Campbell made a nice run for Peterboro', but the locals were forced to kick and Cromar ran the ball back. Twenty-five yards from Peterboro' line J. Disette took the ball around the end for a dodging run and a touch. Play went to Parkdale end on loose play, but on a fumbled pass Meagan, with the Peterboro' team a yard after him, dribbled the ball to a few feet of the Peterboro' line. He lost the ball when overtaken, but Brockbank secured and went over for Parkdale's last try. Beddoe kicked to the deadline as the whistle blew, but the point was not allowed. The game was a clean one, only two penalties being inflicted. The teams:—

Parkdale (31)—Ballie, full; Cromar, Beddoe and Meagan, halves; J. Disette, quarter; Leonard, Duncan and Addison, scrimmage; Durand, Adams, Harper, Crawford, Brockbank and A. Disette, wings.

Peterboro' (1)—Craig, full; Cahill, Quinlan and Corkery, halves; Campbell, quarter; Ecclestone, Clarke, Thornton, scrimmage; Dickson, Hickey, O'Connor, Davidson, Lundy and Hall, wings.

Referee—Dr. A. W. MacPherson of Peterboro'. Umpire—Dr. Brown of Toronto.
